BECAUSE EXPERIENCE AND SUCCESS IS EVERYTHING

President and Founder, Paul Reitzin has been a leading innovator of RTA furniture for more than 25 years. Among his accomplishments, was the establishment of Studio RTA, a highly awarded importer and marketer of trend setting RTA furniture for the home and office. His extensive hands-on experience includes product development, overseas sourcing, sales, merchandising, management and operations.

At Avenue Six, Reitzin's vision for creating distinctive furniture designs continues through the development of highly innovative and beautifully styled RTA upholstered, entertainment and occasional furniture for the home and business.

RTA REDEFINED

The unique RTA collections by Avenue Six will redefine what your customers think of ready-to-assemble furniture. From upholstered to entertainment and occasional furniture, Avenue Six has assembled a collection of innovative, eye-catching designs that focus on fresh new trends, which combine form and function to create the perfect living space.

THE RTA CONVENIENCE

RTA furniture makes it easy for customers to take their furniture home immediately following their purchase. And for those who prefer home delivery, they'll embrace the lower priced UPS-able or faster FedEx-able shipping options that only RTA can provide. Convenience and easy assembly are key components to customer satisfaction. At Avenue Six, all assembling instructions are written and designed to clearly show the simple steps for quick and easy assembly.

SERVICE

Avenue Six provides a high level of service to ensure customer satisfaction through multiple channels of distribution. These include direct import and warehouse sales programs plus drop shipping products from its domestic warehouse to immediately fulfill customer orders. You can call our toll-free customer service line with any assembly or other "after sales" support questions. Avenue Six sales support and merchandising will add to your bottom line.

The award winning designs of Avenue Six are engineered for quick, easy assembly and are virtually indistinguishable from higher priced casegoods once fully assembled.

The origin of our name (avenue six)

av•e•nue — A wide street or thoroughfare and a means of access or approach; both a path and a destination.

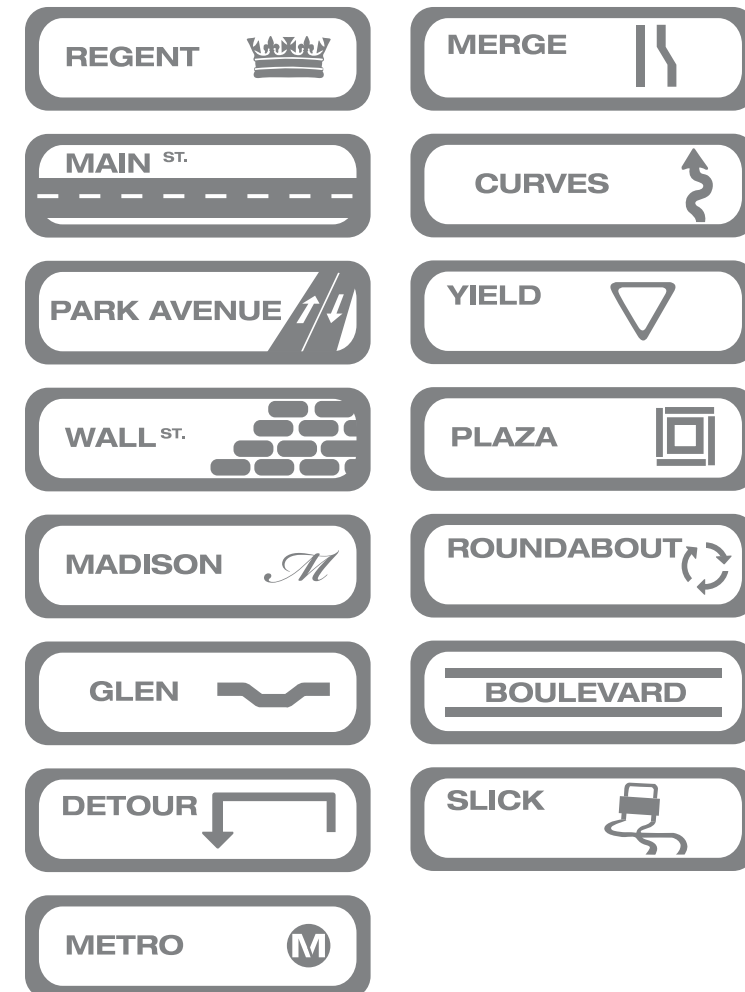

six — Relating to tact, beauty, harmony and perfectionism; the first "perfect" number, in that the sum of its divisors, other than itself, is equal to itself (1+2+3=6) and the product of its divisors, other than itself, also equals 6 (6x1=6 and 3x2=6); also, a person's living space can be thought of as a cube, which has six sides.

When combined, the word avenue and six work in tandem to convey a meaning of easy access, harmony, beauty and perfection as relating to your destination for stylish furniture.

In keeping with the theme of Avenue Six, all collections are typically named to denote a common point, condition or unique street name one may encounter on the road to a desired destination.

The pages ahead will provide coordinates to the world's finest contemporary RTA furniture and other quality furnishings for the home and office.

collections:

FURNITURE CATEGORIES

upholstery

The alluring and highly innovative RTA upholstered furniture designs of Avenue Six provide a higher level of style and comfort to enhance the setting of any room in the home.

entertainment

The value added RTA home entertainment collections of Avenue Six offer a premier solution for customers who desire form and function above all.

occasional

Avenue Six offers a complete line of quality RTA occasional furniture including distinct coffee and end table designs that can be coordinated with other Avenue Six furniture or to any existing home décor.

UPHOLSTERED FURNITURE

The award winning RTA designs of Avenue Six include a wide range of elegant styles to enrich the décor of any room in the home. What's more, all selections are engineered from the inside out and made with the highest quality materials available to ensure years of carefree seating comfort.

The Regent collection features an alluring classic contemporary look that will enhance the décor of any home while providing a higher level of seating comfort for family and guests.
